Medical Service Company Donates Generously to Support Disabled Adults and Children

Cleveland, Ohio (April 2, 2025)- Medical Service Company (MSC), a leading home medical equipment (HME) provider headquartered in Cleveland, OH is thrilled to announce a significant donation to Friends of Disabled Adults and Children (FODAC). This contribution aims to support the organization's disaster relief program, which provides medical equipment when local resources cannot access enough HME needed for a community during an emergency. FODAC responded to its first disaster in 2005 after Hurricane Katrina. Since then, they have provided emergency response items and services to 24 states and 4 territories affected by disasters and public health emergencies, like COVID-19.

The organization's mission aligns closely with MSC's values of compassion, inclusivity, and community enhancement. MSC CEO Josh Marx, shared "We are honored to announce our donation to Friends of Disabled Adults and Children. Celebrating 75 years in business, this contribution underscores our longstanding commitment to supporting our communities and fostering a positive impact, in good times and bad."

Chris Brand, CEO of FODAC, shared the MSC donation is the largest donation they have received to date, adding; "We are grateful to Medical Service Company for their generous donation. This equipment will help us serve clients in disasters around the U.S. This important donation will allow us to move quickly to respond."

###

About Friends of Disabled Adults and Children (FODAC) is the premier non-profit provider of new and used HME in the U.S. that enhances quality of life for people with disabilities by providing home medical equipment (HME) at no or low cost. For more information please visit: FODAC.org

About Medical Service Company Celebrating 75 years in business this year, MSC is a Post-Acute Healthcare Provider that specializes in Chronic-Respiratory Disease Management, and partners with health systems to facilitate a patient's safe and speedy transition from hospital to home. This is done through integrated partnerships, training, education, clinical pathways and patient engagement. As a proud third-generation family owned and operated business, MSC has a strong pledge to excellence. For more information please visit: www.medicalserviceco.com
